兩首依蕭邦練習曲

作品十二之二

而譜的習作

Two Studies on Chopin's Etude

Op.10 No.2

Bird-piano
(used by W. Byrd)

樂曲解說：Rolf-Peter Wille

中譯：葉綠娜

兩首依蕭邦練習曲 作品十之二而譜的習作

聲部的配置，圓滑奏與手指的獨立是蕭邦 a 小調練習曲作品十之二最主要的困難處，通常的練習方法是用右手外側的三隻手指單獨彈奏出半音旋律，進而建立起右手外側 (3, 4, 5 指) 對“自治權”的意識並與內側手指 (1, 2 指) 相對立，如此自然而然延伸出雙音之練習，類似之概念可在 Busoni 的手指練習中找到，在第一首習作中我設計了一個為左手的對位旋律以補強右手的雙音，右手之雙音應該彈得極其輕巧並融入左手旋律，第二首習作則源於第一首，是依同樣概念而生之變奏曲。

Two Studies on Chopin's Etude Op.10 No.2

Voicing, legato and finger independence are the main difficulties in the right hand part of Chopin's A minor Étude, Op.10, No.2. A common exercise is to play the chromatic melody alone in even legato just with the three outer fingers and thus build an awareness for the "autonomy" of the outer hand (3,4,5) as opposed to the inner one (1,2). A natural extension of this would be an exercise in double notes. A similar idea can be found in Busoni's *Exercises*. In my *First Study* I designed a counterpoint for the left hand to complement the double notes of the right. The double notes should be played extremely softly and blended into the left hand melody. The *Second Study* grew out of the first one as a variation on this idea.

First Study on Chopin's Etude Op.10 No.2

(with sincere apologies to Chopin, Liszt, Godowsky, etc., etc.)

48 *8^{va}*

The musical score consists of five systems of staves. The first system (measures 39-41) features a bass line with a tremolo effect and a treble line with a crescendo and a fortissimo (sf) section. The second system (measures 42-43) is marked 'molto leggiero' and 'pp' (pianissimo). The third system (measures 44-45) includes a 'staccato' marking and a 'sopra senza Ped.' instruction. The fourth system (measures 46-47) is marked 'leggiero' and 'senza cresc.'. The fifth system (measures 48-49) includes an '8^{va}' (octave) marking. Pedal points are indicated by 'Ped.' and asterisks throughout the piece.
